### Where Is the “Best Place to Live” in Canada?

The first paragraph has been updated to the following based on 2015 data:

According to *MoneySense* magazine, in 2015 the best place to live in Canada was Boucherville, Québec. What makes Boucherville, a small city just east of Montréal, the best place to live? The magazine suggests that there are a number of reasons. It has a fairly low unemployment rate, affordable housing, high incomes, and is growing in population, but not too quickly.
